MEDICAL MISSION TO CONGO

In August 2009, Dist. 3080 (India) conducted a medical mission to the Republic of the Congo. Fifteen doctors from India provided a broad scope of medical care. District Governor Chetan Aggarwal organized the mission, and four nonmedical volunteers assisted.

The mission was funded in part by a Rotary Foundation Matching Grant. The medical team spent 11 to 12 hours a day for 10 days at two hospitals treating about 1,600 patients, who were prescreened by volunteers from District 9150, which covers 10 countries in Central Africa and served as the host partner. The team also donated two incubators and 500 mosquito nets.

The doctors included three ophthalmic surgeons, three gynecologists, three anesthesiologists, two dental surgeons, two general surgeons, an orthopedic surgeon, and a public health expert.

Rajendra K. Saboo, 1991-92 RI president and 1996-97 Rotary Foundation trustee chair, helped organize the mission to the Republic of the Congo. Saboo has organized medical missions to various countries since 1998.

Holiday Social & Gift Exchange

Club members enjoyed the annual Holiday Social and White Elephant Gift Exchange. Delicious breakfast items and beverages were the first order of the morning.

Thanks to **Joyce Hesketh** for extra special effort in providing seasonal table decorations.

Thanks to **JiYoung** and to **Fah** for serving as “elves” for this year’s social. Special gifts were given to each one. From the looks on their faces each time they came to the gift table, it was very obvious that they enjoyed the gift selection and gift giving.

Approximately \$150 was added to the scholarship fund for CCHS graduates this spring.
