### INTERACT: Changes!

To help promote the growth of Interact, the RI Board of Directors recently agreed to lower the age of eligibility for Interactors from 14 to 12.

Each year, Interact clubs are asked to complete at least two community service projects, one of which should further international understanding and goodwill. Through these efforts, Interactors develop a network of friendships with local and overseas clubs.

The Board's policy for Interact states that the sponsor Rotary club must cooperate with school authorities in supervising the Interact club, and that the Interact club is subject to all the regulations that apply to other student organizations and extracurricular activities at the school.

If the school where an Interact club is based includes students younger than age 12 or older than 18, they may also be members, the policy states. So, if a school serves students ages 10-13, 10-year-olds could also be members.
